

2011 Gewurztraminer Grape Order Form

1. You must be a member of the Nanaimo Winemakers to order grapes. NW Grapes is a non-profit, members-only operation which handles grapes purchased in advance. Due to the downsized scope of our grape order we have decided to limit our order to club members only this year.
2. Prices (in Canadian dollars) are initial estimates only and subject to change. They include shipping to Nanaimo. Fresh grapes will also require your labour at the crush.
3. Use this form to place your order. Make out a cheque to **NW Grapes** dated June 30 for 50% of the total estimated cost. **DO NOT** send a second cheque now. You will get a bill (due September 1) for the remainder of the estimated cost, when grape sources are confirmed and prices are better known. Grapes are provided at cost. There may be a refund or a final bill when all costs are fully known.
4. Quantities are limited and unpredictable. Priority for filling orders is established by the date your order form and deposit cheque are received by Duane Lukyn.
5. Send this form and your cheque (made out to "NW Grapes") to: **D Lukyn, 3297 Smugglers Hill Dr, Nanaimo , BC, V9T3V2.** (dlukyn@shaw.ca), 2507511557. There is no time limit for orders, but please try to return this form and your cheque to "NW Grapes" by June 30 to ensure we reserve adequate quantities.
